John 20-21

This Week: Apply John 20-21

Pray that Jesus would help you believe and grow.

- Read through John 20-21. What are some of the repeated ideas and phrases? What is John's main point described in John 20:30-31?
- The disciples are all shocked by the resurrection. Do you think 1st century people were more gullible than we are? Why or why not?
- Jesus gives a different challenge to Mary (John 20:17), Thomas (John 20:27), and Peter (John 21:17). Summarize these challenges. How is Jesus challenging you in similar ways?

Suggested Bible Study Habits:

- 1) PRAY the Holy Spirit will teach you and change you.
- 2) OBSERVE the text. Read it and re-read it. Answer who, what, when, where, why, and how questions of the passage. Is there a structure? What is the context?
- 3) INTERPRET what it says about God or the condition of mankind. Is there any mention of grace? Is our need of it implied? Are there any cross references to consider? Why was this portion written? How do other portions of scripture help to interpret this one? What do gifted teachers say about this text? How can I understand this passage in a way that makes more of Jesus?
- 4) APPLY the scripture to daily life. Are there any commands to obey, examples to follow, or promises to trust? Does the passage expose any error in my beliefs or behavior? How does the text lead me to interact with others? What is the passage calling me to do?
