## WELCOME!

Grace Bible Church Women's Ministry exists to honor the Word of God by encouraging and equipping women in a biblical view of womanhood and living out transformational truths of Scripture. (Titus 2:3-5)

In everything we do, we desire to be a place where you will:

**Hear** God's voice as we focus on His word, our source for truth and wisdom for our life today and the challenges we face.

**See** God's love as we humbly love and serve one another following Jesus as our example.

**Experience** God's grace as we accept one another and encourage each other to grow closer in relationship with God.

Please feel free to visit any of our ministries: Outreach & Encouragement Ministries, Small Groups Ministries, and Mentoring Ministries.
